A Message from

Our Superintendent

The Bearkat is a symbol of the high attributes and ideals of the Burkeville school. The staff, first, is to be highly commended for its unstinted efforts and leadership in the production of the annual. The success could not have been achieved without the wholehearted cooperation of the faculty and the student body. This concerted effort will be awarded, not only in the pages of this book, but the good will and the principles set forth herein will go out and grow in the minds and memories of all who find moments to enjoy its pages.

In the years that will come I feel sure you will remember that: Success is due to backbone and not wishbone.

Sincerely,

J. E. Miller

Class History

President Roosevelt had established by 1934 the New Deal and the depression had begun to ease. This same eventful year the Senior Class of Burkeville High School of 1945-46 started on the pathway to education. Many were in different schools, but we all had about the same fights and good times.

We gradually grew in stature and knowledge and finally in 1942 we found ourselves under the same school roof. There were many of us in one room at that time so the roof was probably a little bulged.

Our main sport was basketball, which field we entered in our freshman year and after four years of ups and downs, we have many pleasant memories.

The freshman and sophomore years passed swiftly. By the time we reached the Junior Class, we were thoroughly broken into high school life and had obtained courage to be mean—dealing the Seniors the most misery. The Junior play, "Heart Trouble," was a success, and our banquet honoring the Seniors of 1945 will well be remembered for many years.

The Junior Class honored the Seniors of '46 with a banquet on March 22 which will long be remembered as one of the last big events of our happy high school days.

Our final appearance before graduation was made on April 12, when we presented "Busy as a Beaver," a farce-comedy with a cast of thirteen. The proceeds of this play helped us to defray the expenses of the long-looked-forward-to Senior Trip which was made on April 26.

This, our last year in "dear ole' Burkeville High School," has been pleasant and smooth-running. On Sunday, May 12, we solemnly, but proudly, entered the high school auditorium as graduates for the Baccalaureate Sermon. This memorable occasion impressed us with the deep responsibility which is ours in serving our fellowman. The climax was reached on May 17 when we, the Class of 1946, happy but sad, met together for the last time—Commencement Night.

Future Homemakers

The Homemaking classes of 1945-46 have accomplished much in their work with the aid of Miss Nonia L. Jackson, their sponsor. During the preparations for the Halloween Cornoration the Home Economics girls assisted with the decorations for the "Royal Court".

The second year girls honored the faculty with an informal luncheon, through which they gained experience in planning, cooking and serving a meal. Girls from both first and second year classes assisted with the serving at the Father-Son Banquet given by the F. F. A., and the Junior-Senior Banquet sponsored by the Junior Class.

During the second semester the girls of the Home Economics classes studied color combinations, the different weaves of materials, and dyed some luncheon sets. These luncheon sets were placed on display.

As an improvement to the cottage the girls made new draperies for the living room and kitchen. They brought curtain material for the living room, and, to show that they were economical, they block printed curtains for the kitchen. Each girl also made a cotton and a silk dress which she modeled on "Visitation Night".

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
